If any amount of tax imposed by this title (whether required to be shown on a return, or to be paid by stamp or by some other method) is not paid on or before the last date prescribed for payment, interest on such amount at the underpayment rate established under section 6621 shall be paid for the period from such last date to the date paid.

(b) Last date prescribed for payment

For purposes of this section, the last date prescribed for payment of the tax shall be determined under chapter 62 with the application of the following rules:

(1) Extensions of time disregarded

The last date prescribed for payment shall be determined without regard to any extension of time for payment or any installment agreement entered into under section 6159.

(2) Installment payments

In the case of an election under section 6156(a) to pay the tax in installments—

(A) The date prescribed for payment of each installment of the tax shown on the return shall be determined under section 6156(b), and

(B) The last date prescribed for payment of the first installment shall be deemed the last date prescribed for payment of any portion of the tax not shown on the return.

(3) Jeopardy

The last date prescribed for payment shall be determined without regard to any notice and demand for payment issued, by reason of jeopardy (as provided in chapter 70), prior to the last date otherwise prescribed for such payment.

(4) Accumulated earnings tax

In the case of the tax imposed by section 531 for any taxable year, the last date prescribed for payment shall be deemed to be the due date (without regard to extensions) for the return of tax imposed by subtitle A for such taxable year.

(5) Last date for payment not otherwise prescribed

In the case of taxes payable by stamp and in all other cases in which the last date for payment is not otherwise prescribed, the last date for payment shall be deemed to be the date the liability for tax arises (and in no event shall be later than the date notice and demand for the tax is made by the Secretary).

(c) Suspension of interest in certain income, estate, gift, and certain excise tax cases

In the case of a deficiency as defined in section 6211 (relating to income, estate, gift, and certain excise taxes), if a waiver of restrictions under section 6213(d) on the assessment of such deficiency has been filed, and if notice and demand by the Secretary for payment of such deficiency is not made within 30 days after the filing of such waiver, interest shall not be imposed on such deficiency for the period beginning immediately after such 30th day and ending with the date of notice and demand and interest shall not be imposed during such period on any interest with respect to such deficiency for any prior period. In the case of a settlement under section 6224(c) which results in the conversion of partnership items to nonpartnership items pursuant to section 6231(b)(1)(C), the preceding sentence shall apply to a computational adjustment resulting from such settlement in the same manner as if such adjustment were a deficiency and such settlement were a waiver referred to in the preceding sentence.
